

In Safe Hands Toolkit

A Safety Management Toolkit for Community Groups in Practical Conservation

In Safe Hands is a Safety Management System designed for community groups in practical conservation. The content and processes have been adapted from Conservation Volunteers Australia's own system and is based on our 30 years of knowledge and experience in managing volunteers in practical conservation. Through funding from the Australian Government's Caring for our Country initiative, the toolkit has undergone recent updates and is now available to be downloaded by Landcare and other community groups at no charge until 30 June 2013.

You will receive -

The Comprehensive Toolkit which includes

- Occupational Health and Safety policy
- Safety Management and Guidance notes
- Risk assessment information and format
- Induction for volunteers
- Set of proforma documents to address all aspects at the work site

Training

- Training workshop opportunities
- A training DVD

To register for your download go to www.insafehandstoolkit.com.au
